

Application OSS Notice

Portions of this program may use the following open source components (each an "OSS component"):

Angular JS v1.8.0 - <https://github.com/angular/angular.js/blob/master/LICENSE>

jQuery v3.5.1 - <https://jquery.org/license>

jQuery UI v1.12.1 - <https://jquery.org/license>

Bootstrap - <https://github.com/twbs/bootstrap/blob/main/LICENSE>

Select2 - <https://github.com/select2/select2/blob/master/LICENSE.md>

FontAwesome v4.7.0 - <https://fontawesome.com/v4.7/license/>

Log4net - <https://logging.apache.org/log4net/license.html>

The source code for each OSS component can be obtained at the above link for it along with the open source license terms (each an "OSS license") applicable to it. In the event of a conflict between the terms of any OSS license, or any additional terms (such as, for example, disclaimers) imposed thereby, and those of any license or other terms provided by us, those of the OSS license will prevail. Any terms provided are only on our behalf and not on behalf of any OSS contributor.
